We Make Payday Easier For You
HR Solutions
Group

Founded in 2004, Our team at HRSG is made up of HR specialists with an enviable reputation of multiple years of professional experience in handling clients from a wide range of business industries, such as the education sector, advertising and marketing, as well as international financial institutions.

As our brand name aptly signifies, HRSG provide HR solutions to local companies as well as MNCs whom are working towards streamlining their administrative aspects of HR, such as payroll or to reduce their cost of operations by outsourcing their HR functions to a reliable and trusted third party HR partner.

HRSG's cutting edge and progressive culture is further strengthened by the vision from HR Director, Ms Rachel CL Pei who leads the team through continuous upgrading and updated training programs to equip the team with the necessary skill sets to ensure clients needs are met with the highest quality standards

Ms Pei graduated with a Bachelor Degree in Accountancy from Singapore's Nanyang Technological University (NTU) as well as a Masters Degree in Human Resources Management.

Having both the knowledge and skills in Accountancy and HR Management, Ms Pei is more than adequately equipped to comprehend and introduce precise and efficient alternatives to synchronize payroll processing with the finance accounting system accurately. Her vast experience in working with leading financial institutions worldwide also means she bears the utmost trust from her clients in ensuring sensitive payroll information are kept strictly confidential within the client's operating environment.
